RE: Bradshaw Water Company Rate Increase Docket No. W-02476A-01-0502,  
Decision No. 64286

Dear Mr. Lovell,

The purpose of this letter is to respond to your letter to Pat Williams of the Utilities Division on January 14, 2002. In Decision No. 64286, the Arizona Corporation Commission ("Commission") approved rates and charges for Bradshaw Water Company. On January 7, 2002, you requested rehearing regarding the Commission's findings and conclusions in that decision. The twenty-day time period for the Commission to reconsider the case has expired. The Commission will not rehear the case as a result. Therefore, your request has been denied.

Absent a challenge to the Maricopa County Superior Court system, the Commission's Decision is considered final. In light of this, you must now comply with all outstanding directives by the Commission as stated in Decision No. 64286. Any noncompliance with that Decision will be considered a violation of the Commission's order. If you should need any further clarification or have any concerns, please feel free to contact me at (602) 542-3402.

Sincerely,

Jason D. Gellman
